from Nature, better than Nature

ENGINEERED MARBLE TERRAZZO

GUANGXI LISHENG STONE CO.,LTD.

COMPANY PROFILE

Guangxi Lisheng Stone Co., Ltd. was established in January, 2012. The registered capital of the company is 90.74 million RMB. Lisheng Stone is an integrated new high-tech enterprise of engineered marble and terrazzo for research, development and sale. Our company is located in Hezhou, Guangxi and covers an area of 205,000 square meters. The annual output of engineered marble can reach 10 million square meters which is the maximum capacity in domestic market so far. Now Lisheng Stone is preparing to be a public company.

Fatiya brand has been committed to explore the perfect integration between science and technology and natural art, implement the product idea of "From nature, better than nature". It aims to provide high-end brand products and service support for people who pursue higher quality life.

OUR ADVANTAGES

TERRITORIAL ADVANTAGE:

Our company is located in the 100 billion Calcium Carbonate producing base in China

TECHNOLOGY ADVANTAGES:

1. Possessed core patented technology for almost 20 items of national patents for invention and more than 10 items of national patents for utility model.
2. Cooperating with the China Academy of Sciences, we tackled the key technical problem for artificial marble with microwave solidification technology.

MANAGEMENT SYSTEM AND HONORARY TITLE:

- 1) "the certification of ISO9001 international quality management system"
"the certification of ISO14001 environmental management system"
- 2) "China man-made stone national standard drafting unit"
- 3) "the certification of China environmental Labeling product "
- 4) "Green Factory"
- 5) "Export brand-name the province focused on cultivating and developing"

With high esteem from customers in the USA, UK, Germany, and various other countries, our products have been successfully sold in over 40 countries worldwide. In the domestic market, we have established strategic partnerships with large real estate enterprises such as Evergrande Real Estate, MiddleSea Real Estate, Vanke Real Estate, etc.

Production Profile

Item Name	Fatiya Engineered Marble					
Technical Data	Glossiness	85°	Density	2.55 g/cm ³	Mohs Hardness	3-4 Msh
	Compressive strength	110 Mpa	Impact resistance	the sample is not damaged	Water Absorption	0.02%
	Flexural strength	35.6Mpa	Radiocativity	Ir<0.1 Ira<0.1 Class: A	Abrasion resistance	302mm ³
	Coefficient of thermal expansion	2.2x10 ⁻⁵	Angle (L≤400)	0.05	Flatness (L≤400)	0.03
Appearance quality	Stomatal	0	Aberration	N/A	impurity	N/A
Applications	floor, interior wall, vanity top, fireplace, window sills, table tops					
Functions	Chip,crack & scratch resistant, enviromentally friendly materials, non-abberation, high rupture,low water absorption, no radiation					
Size	3200x1600mm, 2700x1800mm, 2400x1600mm, 2400x1800mm; cut-to-size is available					
Thickness	12mm, 14mm, 15mm, 16mm, 18mm, 20mm, 25mm, 30mm, 50mm. Customized is acceptale.					
Package	a) Slabs: 12-18pcs pack in a seaworthy bundle(after fumigation) . b) Cut-to-size:60-80pcs pack in a seaworthy crates. c) Countertop, Vanity top:12-25pcs pack in a seaworthy crates, each surface cover with PE film. d) Stair Step:80-120pcs pack in a seaworthy crates, each 10-15pcs a bundle.					
HS code	6810191000					
Colour Patterns	white, grey, beige, black					
Certificates	ISO9001, ISO14001, ISO18001, CE
